

Dear 8th Grade Students,

Welcome to the final year of grammar school! We are looking forward to working with all of you in September.

In order to get off to a successful year, we are listing the supplies that will be needed according to individual teacher requests.

Language Arts:

1 five-subject notebook	highlighters
1 folder	1 ruler
1 red pen	Loose leaf paper & pens!

Social Studies:

2 marble notebooks	colored pencils
2 pocket folders	Loose leaf paper & pens!

Math:

1 five-subject notebook	2 red or purple pens
2 different color highlighters	1pkg. skinny dry erase markers
1 large box pencils (preferably Ticonderoga or Stap	1 pencil case - just for math
1 pair inexpensive ear buds	2 pkgs. loose-leaf paper
1pkg. ¼ " graph paper	2 sturdy 2 pocket folders
6" plastic ruler	TI 30-XS Scientific Calculator
Jumbo Book Sox OR brown bag to cover book	2 boxes Kleenex

Science:

1 marble notebook	1 Five subject notebook
4 two-pocket folders	Graph paper
Colored pencils	Loose leaf paper, pens & pencils

Religion:

1 marble notebook	Your student edition Bible
-------------------	----------------------------

Spanish:

1 three subject notebook with pocket folders	1 Spanish/English dictionary
--	------------------------------

We encourage students to have pencils and pens in large numbers and, more importantly, in secret places! You will need writing materials all year long.

We hope you have a restful and fun filled summer!

Reading List for incoming 8th graders: Students must read 4 books.

The Maze Runner by James Dashner

Whirligig by Paul Fleischman

Refugee by Alan Gratz

1 Book of Choice: It must be non-fiction

Please complete a “One-Pager” for each of the books read. Choose a different “One-Pager” for each book. “One-Pagers” are due the first day of school.

NOTE: Homeroom teachers always appreciate anyone who can contribute any of the following supplies in September:

Tissues

Paper towels

Copy paper

Hand sanitizer

Clorox wipes

Disinfectant air freshener

Dear Class of 2019,

All students entering Grade 8 in September are required to complete the following **20** skills over the summer. Students should practice these skills for a total of 30 minutes each. You do not have to practice for 30 minutes at each sitting, however, you must practice for 30 minutes, even if you have already completed this skill during the school year. IXL will record all your minutes! Don't forget to login to your account first. *This will count as your first math quiz in September and is due by Friday, September 7!!*

7TH GRADE MATH LEVEL SKILLS

ALGEBRA 1 LEVEL SKILLS

Skill #	Skill Name		Skill #	Skill Name
7 th C.3	Add/Sub Integers		7 th J.11	Proportion Word Problems
7 th C.4	Add/Sub Eq./Integers		7 th L.2	Fractions-decimals-percents
7 th C.5	Integer word problems		7 th L.10	Percent of Change
7 th C.8	Mult/Div Eq./Integers		7 th M.6	Percent of a number
7 th E.8	Decimal word problems		7 th M.9	Multi-Step Percent Word Problems
7 th G.16	Fractions Word Problems		7 th P.1	Coordinate Plane review
7 th H.6	Add/Sub Rational #'s		7 th R.13	Combining Like Terms
7 th I.4	Exponents w/Neg. Bases		**Alg. J.4	Two Step Equations
7 th I.7	Evaluate Neg. Exponents		**Alg. J.5	Multi-step Equations
**Alg. J.2	One Step Equations		**Alg. J.6	Eq. with Variables on Both Sides

****These skills will be highlighted by yellow stars on the IXL webpage in case IXL decides to shift things around over the summer.** The stars will always be on the correct skill, even if the letter/number changes. **PLEASE NOTE THE LAST 4 SKILLS IN BLUE COME FROM ALGEBRA I LEVEL.** Use your **STUDENT ANALYTICS** to check your progress using a start date of 6/20.

In addition, students are also encouraged to practice any other skills they wish from grades 6, 7 and 8.

Sincerely in Christ

Mrs. Gayle Scirocco
K-8 Math Coordinator
