There are **three** days built into the calendar for emergency closing. Should extra days be needed, they will be added to the calendar in this order: April 1, June 28, and June 29. If these **three** days are not needed, schools may close on May 28, Jun 1, and/or the last day of school may be amended. Changing the last day of school for any reason will not impact the date of 8th grade graduation. **Plans that cannot be changed should not be made without taking this calendar into consideration.**
